

MCD BIO Upper Division Research Certification of In-lab or Remote Research Project

Complete this section if you are conducting research in the laboratory:

This certifies that the student listed below is enrolling in an MCD BIO upper division research course (196/198/199) in my laboratory and has been added to my laboratory's Research Ramp-up Plan for the Phase 2 or 3 reopening. The proposed project will be carried out within the rules of Phase 2 or 3 with respect to social distancing and other requirements.

Student Name:

UID:

PI Name:

PI signature

Date:

REQUIRED DOCUMENTATION:

On the google form used to submit your contract and additional materials, you will be required to also submit the following:

1. A copy of the personnel page of your PI's Research Operational Plan
2. A screenshot of your registration in UCLA's daily monitoring survey
<https://ucla.app.box.com/s/96on1j6ynhy5c91jdpqxqyi39pl8x796>
3. Proof of student's completion of Worksafe COVID-19 Prevention Course
<https://www.ehs.ucla.edu/training-support/courses/general-safety>. If you have any questions regarding access to this safety training please consult your lab's manager.

-----OR-----

Complete this section if you are conducting a remote project:

This certifies that the student listed below is enrolling in an MCD BIO upper division research course (196/198/199) and will be working on a project outside the lab (remotely).

Student Name:

UID:

PI Name:

PI signature

Date

REQUIRED DOCUMENTATION:

If you are working on a remote project, there is no additional documentation required. Please submit your contract and additional materials using the google form for the current quarter.
